RE: August 24, 1998 Tesoro Hawaii SPM Hose Spill - Cooperative Agreement and Confirmation of Technical Working Groups

Dear Katherine, Charles and Kathy:

In accordance with the NRDA Cooperative Agreement among DOI, NOAA, the State of Hawaii and Tesoro Hawaii Corporation, the following NRDA Technical Work Groups (TWG) and lead Federal and State representatives have been designated:

1. Birds:

Don Palawski*	- DOI U.S. Fish & Wildlife
Carol Terry	- State of Hawaii Department of Land and Natural Resources (DLNR)
Chris Jansen	- Tesoro Hawaii

2. Marine Environment (Opihi):

Francis Oishi*	- State of Hawaii DNLR
John Cubit	- NOAA
Chris Jansen	- Tesoro Hawaii

3. Marine Mammals (Hawaiian Monk Seals):

John Naughton* - NOAA
Francis Oishi - State of Hawaii DLNR
Chris Jansen - Tesoro Hawaii

4. Lost Human Use:

Curtis Martin* - State of Hawaii Department of Health
Curtis Carlson - NOAA
Chris Jansen - Tesoro Hawaii

The asterisk (*) indicates the lead person for the TWG, who serves as a central point of contact for that group's activities. It was agreed by the members of each TWG that the lead should be a Hawaii-based trustee.

All parties also agreed that Chris Jansen of Tesoro Hawaii would serve as an overall TWG facilitator or contact to arrange for conference calls and distribute the exchange of data for all the groups.

To facilitate the data sharing effort, a telephone directory listing the TWG participants, joint experts and consultants, as of this date, is attached.

Sincerely,

Dennis Saito
Associate General Counsel
